

# Fishability

Fishers with Disabilities

## Fishability School Program

Fishability, a not for profit organisation that provides an opportunity for people with disabilities to participate and experience recreational fishing, is commencing the Fishability School Program in September.

This structured program is catering for primary and high school students with special needs. With modified equipment and experienced and knowledgeable volunteers supporting the students, the two hour fishing activities include;

Basic fishing skills

Knot tying

Environmental awareness

Fish species education

Socialisation

Mentorship

All of our volunteers hold Working with Children Cards and have Police Clearances.

The Fishability School Program is fun and FREE to participants.

Fishability are holding activities at locations through metro and regional centres such as Albany; Busselton; Geraldton and Mandurah.

Our calendar of activities can be found at; <http://fishability.org.au/come-fishing-with-us/>

For more enquiries, or to book your school in to one of our Fishability School Program activities, contact Fishability on details below.
